

EXQUISITE SHADE

Hostelleria ★★★★★

SUN PROTECTION FOR A FIRST-CLASS AMBIENCE

Style Brilliance Charm

In a world where quality and aesthetics go hand in hand...

...we are proud to lead the way. As leading producers of high-quality sun protection solutions, we also want to offer products for the hotel and catering sectors that not only meet your expectations but exceed them.

Our awnings do more than give shade – they are an expression of timeless design and Austrian quality. Each and every one of our products embodies the essence of elegance and functionality, and every detail was developed with utmost care to turn your outdoor areas into true oases of wellbeing.

Discover the diversity of our terrace shade solutions.

From the WINGLIGHT PERGOLA, a free standing large-surface awning with an innovative counterweight system, right up to our innovative WINGLIGHT SOLID and WINGLIGHT COMPACT, which offer you maximum flexibility – our product range stands out with its versatility and excellence.

Our PERGO-LINE E210 sets new standards for design and functionality, while the TOPLINE CASSETTE is a perfect blend of protection and elegance.

TOPLINE CASSETTE

Style Brilliance Charm

TIMELESS ELEGANCE

Immerse yourself in the world of exclusivity with our TOPLINE CASSETTE. Our popular top awning model comes in a modern design that meets the most exacting standards of elegance, functionality and durability.

Your benefits:

- System widths up to 7 metres
- Long projection of up to 4.5 metres
- Extensive selection of fabrics and colours
- Protected fabrics and articulated arms
- Motorised vario valance with solar panel
- Integrated LED lighting available
- Variable installation options

Besides their modern design, our products offer your guests more space outdoors. Cosy LED lighting also creates a welcoming atmosphere that makes it a pleasure to spend time under the awning, especially in the evening or when the weather is bad.

WOUNDWO products not only add value for your guests, but also for your company by helping to recoup your investments and make them profitable in the long term. To help you to assess investment decisions for the success of your company and calculate how long it will take for you to earn back your capital investment, we offer you an customised sample calculation. That makes it easier for you to evaluate your investment and calculate the rapid repayment of your capital based on the payback period.

WOUNDWO helps you create an inviting and cosy atmosphere for your guests.
